Cost: \$125 (GST incl) Resources & meals included

Registrations Close: Friday 10 August

Display Information and Application Form

The Regional Toolbox for Environmental Change forum is Victoria's premier regional conference for those involved in education for sustainability.

Now in its fourth year and held at the Narmbool Discovery Camp, Elaine, south of Ballarat, the forum provides a key networking opportunity for both teachers and administrators. In 2012, the focus will be on leadership, the effective use of technology in education for sustainability, VELS curriculum links, school case studies and ResourceSmart AuSSI Vic, the accredited framework for education about waste, biodiversity and resource conservation. Greening Australia is now calling for applications from schools, individuals and organisations to provide displays at the 2012 forum. Discounts apply for schools upon request.

About the Display Spaces

- Display space is 1m X 2m. A table and 2 chairs will be provided.
- Displays must be set up between 7am and 8.30am on the day.
- There is no wireless internet available at the Narmbool site and display boards are not provided.

Displays can cover a wide range of topics. However, feedback from previous evaluations has highlighted that displays should encourage a hands-on approach. Our fundamental aim is to equip participants with skills and experiences that they can take back to their school communities **to promote action for environmental change.**

If you have any questions about running a Display at the 2012 Regional Toolbox, please do not hesitate to contact Jim Mead on 03 9450 5321 or email jmead@gavic.org.au.

To Register

Please forward your application to Greening Australia by **Friday 29th June 2012** to:

email: mcatanzarite@gavic.org.au

fax: 03 9457 3687

post: Greening Australia (Vic). 1 Park Drive, Latrobe R&D Park, Bundoora VIC 3083

Display spaces are extremely limited. Applications supporting the forum aims and themes will be selected accordingly. www.greeningaustralia.org.au/community/vic
