

TOOLBOX FOR ENVIRONMENTAL CHANGE - a climate for change

A key forum offering tools to begin, continue and advance sustainability education in schools

Details

Time: 9am – 3:30pm (Registrations from 8.15am)
When: Tuesday 24 July, 2007
Where: Storey Hall, RMIT, Swanston Street, Melbourne
Cost: \$88 (GST incl) Includes materials, lunch and refreshments

What is it all about?

- Learn new skills to incorporate environmental and sustainability education in the classroom
- See how your students can **act locally** to address **climate change**
- Hear state & national government directions in sustainability education
- Participate in interactive workshops
- Learn from schools that have experience with integrating **environmental** and **sustainability education** into their curriculum
- **Network** with like-minded peers, providers and experts in environmental and sustainability education

Who is involved?

There will be an array of presenters, workshops and displays on the day, including representatives from:

- Department of Education
- Greening Australia
- Landlearn, Department of Primary Industries
- Australian Sustainable Schools Initiative
- Parks Victoria and the Royal Botanic Gardens
- Green Canary and Alternative Technology Association
- VAEE and GTAV (Geography Teachers Association of Victoria)
- Victorian Primary & Secondary schools
- Environmental & sustainability organisations

Register by Thursday 28 June to secure your place – last year's forum sold out!
