Inspire

CALL FOR PRESENTERS

DATTA VIC 2013 May Annual Conference: Inspire

DATTA VIC encourages you to be part of our 2013 Annual Conference to be held on Friday 17th and Saturday 18th May 2013 at the Northern College of the Arts and Technology (NCAT), with the theme **Inspire**.

Inspire is a Conference that will capture the essence of teaching and learning of Product Design and Technology and Systems Engineering Education. **Inspire** can encompass anything that engages children, young people and teachers in the exciting area of design and technology. This conference will **Inspire** delegates through a range of practical and theoretical sessions that will allow them to explore and examine best practice and new approaches in Product Design and Technology and Systems Engineering Education.

Be **Inspired** and **Inspire** the future generation and be part of this exciting Conference. Even if you have never presented before, why not make a presentation on a project that fits the theme **Inspire** and share projects and good practice in Product Design and Technology and Systems Engineering with other educators.
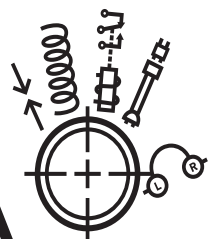

We are looking for presenters to deliver either a:

• 1 hour presentation

• 2 hour workshop

*If you present you will receive free admission to the conference on the day you present.
*If attending another day at the Conference registration fees apply.
*You will also receive a voucher up to the value of $50.00.

To submit your proposal go to **www.datta.vic.edu.au**
by **Friday 22nd Feb 2013.**
