

The background of the poster features a grid of black dots on a white surface. In the foreground, several colorful, metallic, mechanical-looking structures are displayed. These structures are made of thin rods and plates, connected by small circular joints. They are arranged in a row, with some in sharp focus and others blurred in the background. The colors of the structures include purple, pink, gold, green, and teal. The overall aesthetic is clean, modern, and industrial.

**INDUSTRIAL
DESIGN
SIGN**

You are cordially invited to the:
