**CONFERENCE IS  
ACCREDITED  
WITH BOSTES**

TechEd Conference will be a significant event in the development of Technologies Education in Australia.

iiate conferences have received 100% positive feedback for many years. The quality and relevance of sessions are strengthened in 2014 by national and international involvement.

Join us for the TERC welcome event, a cruise on Sydney's famous harbour. Join with overseas researchers and teachers from across Australia.

Packages start at \$425 for the two day conference.

Additional activities such as the Sydney Harbour cruise welcome event, the conference dinner or pre conference workshops are additional.
