

Want to learn to program for the XBOX360? You can!

How: 3 day intensive course
When: 30/3 —1/4 (during Term 1 school holidays)
Where: Melbourne High School computer labs

Are you interested in game design? Are you looking to enter a career in the games industry? Would you like to learn how to write games for the XBOX360? This 3 day intensive course will show you how! The course is open to current Year 9-12 students and has strictly limited numbers. Hours on each day will be from 9.00am to 4.00pm—with printed tutorials, food and snacks included (BYO lunch)

Cost: \$195 per person—all inclusive

What will you do over the 3 days?

- **Design and build simple to intermediate level games and learn how to run them on the XBOX360**
- **Learn about the programming language used to make games for the XBOX360**
- **Discover where to get great resources, software and help to develop your skills in games programming**
- **Learn how to share with other games enthusiasts to continue your games writing career**
