VITTA

Involved, Engaged and Interactive The Interactive Whiteboard Conference

Friday 5 August 2005
Goulburn Valley Grammar School
Venue: Verney Road, Shepparton 3630

Presentation technologies enable the whole class to enjoy the benefits of digital resources while supporting the teacher and enabling whole-class interactive teaching. Instruction, demonstration, questioning, discussion and consolidation are all enhanced by appropriate use of interactive whiteboards.

Learn from practicing teachers how best to utilise them in digital learning for all students.

How Much?

Registration for the one-day conference is \$110 (inc. GST). This includes arrival tea and coffee, morning tea and lunch. Participants also receive a conference CD containing presentations and resources.

Presented by
Goulburn Valley Grammar School
in association with VITTA
and supported by Commander and Electroboard

Program Summary

10.00 am

Registration and Tea/Coffee

10.30 am

Keynote Address

"eLearning and eTeaching with Interactive Whiteboards"

Peter Kent

Interactive Whiteboard Specialist

Peter is head of the Commander Team of Interactive Whiteboard Experts. Peter was responsible for leading Richardson Primary's (ACT) ground-breaking use of Interactive Whiteboards within their teaching and learning program. Case studies of this initiative have appeared in the Practising Administrator, Educare and the UK journal SNAPSHOTS. Peter has distilled the pedagogical changes that took place at Richardson in the form of the 'e-Teaching
