

# FREE IMAGE RESIZER

'Visualizer Photo Resizer' freeware application:

[www.freeimagebrowser.com](http://www.freeimagebrowser.com)

• Click on 'Free resize'

• Click on 'Download now' link

The screenshot shows the website interface. On the left, there's a sidebar with 'Digital Software' and 'Digital Photography' sections. The main content area features a large image of a parrot and text describing the software's capabilities. A 'Free resize | Photo Studio' button is visible in the sidebar. A 'Download now' link is highlighted in the main content area.

- Click on the button to activate download

The screenshot shows a browser window with the URL <http://www.freeimagebrowser.com>. The page features a large 3D graphic of the letters 'IB' and a 'Download now' button. A list of features is displayed on the right side of the page.

- Resize all your photos simultaneously
- Build your own internet photo albums
- Protect your photos with watermarks
- View and edit your photos fast and easy
- Send your photos through email

The worlds leading batch resizer

- Click on 'Run' and follow the prompts

NOTE: When using the program

- select the pathway/folder in which your photo or photos are saved
  - click on the 'Resize' button on the bottom right corner of the program.
- The program will create a new folder 'resize' in the same pathway/folder.
