Open Day at Union House
University of Melbourne

Open Source Open Day

A Free Event for everyone to discover great technologies, learn about **Free and Open Source Software** and meet the community that develops it.

Visit a range of exhibitors, talks, competitions and meet some great people and projects along the way.

We have a wonderful line-up of technologies including gaming, robots, programming, computer recycling, design, and much much more.

Get your hands dirty and explore a new world of technology freedom!
