

VITTA presents:

Challenge Based Learning

A six week Professional Learning series for
teachers

When: Thursdays, starting May 13th from 4.30 to 6.30 PM
Where: Williamstown Primary School, Cecil St, Williamstown
Who: All teachers, particularly Middle Years teachers (years 5 to 8)

- How can we organise authentic 21st century learning environments?
- How can we design curriculum which engages and challenges students with authentic learning activities?
- How can we assess such activities (in the light of school, statewide and national testing demands)?
- How can we assist a process of ongoing curriculum change in our classrooms, learning teams/faculties and schools?

The Challenge Based Learning series is designed to answer these questions over six sessions. See over for details on how to register.

ABOUT THE PRESENTER

Mark Richardson is ICT Coordinator at Williamstown Primary School. He is interested in teaching multimedia and has worked with students on many digital video, animation and web design projects. He has also run professional development sessions on multimedia and web design in a wide variety of settings. He is interested in the role of ICT in the process of curriculum change.
