

## DATTA Vic Workshop

## VCE Exam Preparation for Systems Engineering Teachers

The Systems Engineering exam preparation workshop is three hours of activities designed to help teachers prepare their Year 12 students for the exam.

## The activities include:

- a review of the examiner's report
- clarifying commonly used exam language and phrases
- hints on preparing students for the exam including time management
- what to expect, what did the chief examiner mean?
- sharing ideas and tips so as to gain the best results for your students and the subject
