

# Love designing cars and vehicles?

**Want to win an Award and prize money?**

**Want to meet professional car designers and boost your career?**

Then you should enter the  
**VACC Automotive Design Awards.**

This annual competition is open to all secondary and tertiary students in Victoria.

Design the cars, motorcycles, trucks and vehicles of tomorrow and you could win prize money for you and your school, college or university.

Shortlisted entrants will be invited to a prestigious presentation ceremony on 26 June 2014 at Federation Square, Melbourne, joining Government ministers and professional designers from Ford, Holden and Toyota.

So get drawing, sketching (including CAD), modelling or writing.

Register by 23 May 2014.
