

DATTA Vic Conference 2008

Conference theme:

‘Making Connections’

The DATTA Vic 2008 Conference at Ringwood Secondary College on
Friday 30 and Saturday 31 May 2008.

CALL FOR WORKSHOP PRESENTERS

******Deadline for Submissions Friday 9th March******

DATTA Vic is looking for Expressions of Interest from practising teachers that will help others in ‘Making Connections’ between:

- The domain of Design, Creativity and Technology and the classroom –VELS programs and assessment
- Early/middle and later years in learning: deeper thinking, cooperative learning
- School and other pathways – VCAL, VET, Tertiary (Higher Education and TAFE)
- School and Industry – visits
- Technology and Environment issues – climate change and sustainability.

We are looking for best practice in the classroom; therefore proposals should include a range of the following:

- Encouraging students to explore the design process especially the journey
- Using a design brief approach
- Encouraging experimentation and risk taking
- Giving examples of an assessment rubric
- Encouraging E learning and use of ICT
- Working towards mixing media across the materials and materials & systems
- Showing how the individual program fits into the whole school program.

Presentations will be either one hour (limited spaces available) or two hours in length and can be of a theoretical or “hands-on” nature.

Proposal forms are also available online at

<http://www.datta.vic.edu.au/>

Proposals will be received until Friday 9th March 2008.
