Diploma, Advanced Diploma, Degree....the IDEA Degree Pathway.

IDEA is well advanced in having an official pathway for Advanced Diploma of Multimedia students to enter the third year of Swinburne University's Bachelor of Multimedia degree. The agreement is anticipated to be signed off August 2005.

IDEA has had ongoing success in placing its Advanced Diploma graduates into third year degree programs in RMIT, Monash, Deakin and Swinburne universities.

New premises!

IDEA is planning to move to new premises for 2006. The main contender at the moment is level 4, 190 Queens Street, approximately one city block way from its current address and still in the CBD.

The new premises will be exactly that - all new and with state of the art facilities ...

IDEA students to work with X-Box games developer XPEC.

IDEA is currently negotiating with the games company XPEC to introduce real 3D animation/games projects into the Advanced Diploma of Multimedia as part of assessment activities.

The first of the project briefs is due to arrive August 2005.

IDEA regards this as strong industry approval for its unique project based curriculum and the student work that results from it.
