

## VET Scholarships for Secondary School Teachers

In 2013 the Victorian government will provide scholarship support up to the value of \$1,000 for secondary school teachers interested in working in vocational education and training (VET) and needing to achieve or update their VET teaching qualifications at an approved Victorian registered training provider.\*

### Scholarship support is available for the following courses:

- TAE40110 Certificate IV in Training and Assessment
- TAE50111 Diploma of VET
- TAE50211 Diploma of Training Design and Development
- 21697VIC Diploma of VET Practice

### Application details:

- Scholarship applications opened 1 November 2012
- Scholarship numbers are limited and applications close when all scholarships have been allocated
- Applications can be made by an individual or by schools on behalf of a number of staff
- You are advised to apply for a scholarship before enrolment in a course

For scholarship guidelines and application forms please visit [www.vetcentre.vic.edu.au](http://www.vetcentre.vic.edu.au)

\*See back of flyer for further information.
