Adobe Software Offer for Victorian Government Schools under the Department of Education & Training

100,000
educational institutions worldwide use and teach Adobe technologies

1million+
students and educators use Adobe eLearning apps

75,000
educators are sharing resources and best practices in Adobe online communities

Creativity is always on.

Today's students want to make a difference in the world. And they want to do it their way, using the tools of the connected world they've grown up in. Our opportunity is to provide an engaging learning environment that supports learning on any device, any time, from any location. And our imperative is to foster creative thinking, collaboration, and the development of digital skills.

What is the Adobe Enterprise Software Offer?

The purpose of this offer is to provide students and educators affordable access to industry-leading tools for expressing ideas and telling their own stories.

What Product Bundles are available?

There are two base collections of applications available to participating schools. You may choose between:
Design and Web K-12 Collection or
CCE for Education Desktop Apps

Design and Web K-12 Collection	CCE for Education Desktop Apps
• Acrobat DC Pro • Photoshop • Illustrator • InDesign • Dreamweaver • Animate (formerly Flash)	• Acrobat DC Pro • Photoshop • Illustrator • InDesign • Dreamweaver • Animate (formerly Flash) • Bridge • InCopy • Muse • Media Encoder • Lightroom • Premiere Pro • After Effects • Prelude • SpeedGrade • Audition • Encore • Scout

In addition 3 optional product add-ons may be added at an extra cost.

These are: Presenter, Captivate and Lightroom.

How much are the Product Bundles?

Design and Web K-12 Collection	$20 per staff FTE per year
CCE for Education Desktop Apps	$50 per staff FTE per year

Optional Add-On Products

Presenter	$15 per device per year
Captivate	$15 per device per year
Lightroom	$15 per device per year

*Pricing provided is Ex GST in A$ and based on a Per Year Price due annually for a period of **3** years. Pricing is for the software only. No Creative Cloud online storage or services included.*

What is the School Total FTE and how do I calculate?

The school total FTE =
full-time faculty staff + part-time faculty staff/3 + full-time staff + part-time staff/2

Example 1:
School A choose Design and Web K-12 Collection and 10 Captivate
        Total license fee per year = $20 x FTE + $15 x 10

Example 2:
School B choose CCE for Education Desktop Apps and 10 Adobe Presenter
        Total license fee per year = $50 x FTE + $15 x 10

On which devices can I install the Software?

The software can be deployed to any school owned computer capable of running the applications (including those loaned to staff or students on a take home basis).

Below is the minimum computer system requirements to run the software:

 http://www.adobe.com/products/creativecloud/tech-specs.html

Our school is going with student BYOD. Is this included?

Participating schools under this offer can install Design and Web K-12 Collection on student BYOD for at no cost. Limit to one copy only per student. If a school chooses to install CCE for Education Desktop apps on student BYOD, then a fee of AUD$25 per student per year applies.

Will there be a Work at Home offering?

Yes. A work at home agreement will be part of the contract allowing staff, for a nominal fee, to access and install the Adobe CC Complete Apps to their personally owned device.

Any FAQs?
