WHAT IS THE SHOWCASE?

The Digital Learning Showcase is a day for students to celebrate digital technologies in education. Come and join DLTV in conjunction with its educational and industry partners and cultural institutions for a day of activities and ideas. Discover the different digital career pathways available for your students.

SHOW YOUR STUDENTS THE PATH TO A DIGITAL CAREER.

Experience interactive sessions from ACMI, the National Gallery of Victoria, the Code Club, Adobe and The Brainary, just to name a few.
